Secondary School Applications

Dear families,

This letter contains important information about applying for your child's secondary school place for September 2024. Parents **must** submit their school applications online through Enfield eAdmissions:

www.eadmissions.org.uk

The deadline is 31st October 2023

Attached to this email is a guide to completing the application online. Please note you **must** have an email address to make the application. If you are applying for a secondary school in a different borough you **must** include them in your Enfield application.

You can find further guidance and useful documents on the Enfield website here:

<https://www.enfield.gov.uk/services/children-and-education/school-admissions-and-applications/admission-to-secondary-school-2024>

We will be holding an information session for all Year 6 families with more detail on the secondary application process:

Thursday 5th October at 3.30pm

Secondary schools will be holding open days over the coming weeks, we have attached an overview of the Enfield schools which includes details of their open days. Please check individual school websites for open days taking place in other boroughs.

We are always happy to help so please do come and speak to the school office if you have any questions or need assistance with your application.

Best wishes,

Mrs S Yaseen
Headteacher
